At that time, they stated that the Wire Act would only apply to sports betting and not other types of gambling.

As a result, their interpretation opened the door to the vast majority of types of online gambling, which is why it is now legal in some states.

Technically, online gambling is still illegal in the United States.

Connecticut, Delaware, Michigan, New Jersey, Pennsylvania, and West Virginia all allow online casinos.

California, Illinois, Indiana, Massachusetts, and New York appear to be considering legalizing online casino gambling as well.

Even though it is something that has yet to be signed into law, there are a lot of people who are anticipating that these states will pass online gambling legislation next.

You should take a look at the website closely and read a few reviews from people who have used it.

Finally, if you feel like you have a problem controlling your gambling, you may want to reach out to a professional who can help you.
