It's just like in basketball or any other sport, where a team would be favored by -9.

5 for underdogs.

MLB betting lines and markets are pretty similar to those of other North American sports, but baseball odds do offer a few sport-specific wagers to be aware of.

Over/Under (Total) Bets

Parlays take the traditional baseball odds to another level, allowing you to combine two or more wagers.

Understanding Line Movements

If the Yankees start out at -110 favorites for a game, and most of the money is placed on New York to win, the books often shift the line to -120 to reflect that trend.

MLB's playoff betting odds can come in a few different formats.
